

I am writing today to commend the efforts of Maggie Tunstall in helping me purchase my home several months ago. I was purchasing my first home, and without Maggie's assistance, I would have been completely lost in the process!

Not only was this my first home purchase, but it was a long-distance purchase as I was living in northern Virginia at the time. Maggie's help was essential in making sure that everything proceeded according to plan. I would not have been able to do it without her. I have now been living in my home for almost half a year, and it is absolutely everything I had hoped it would be, thanks to Maggie's dedication and diligence.

Again, I wanted to let you know how valuable Maggie was as my realtor. She truly made what could have been a tremendously difficult process tremendously simple.
