

My wife and I recently purchased a home in the Camden Park section of Fearington Village. We have been looking at homes in this area for the past several years. Fortunately for us we were put in contact with Mrs. Margaret (Maggie) Tunstall of your office who helped us find just the house we were seeking. Mrs Tunstall listened to our thoughts and ideas on the type of house we wanted and showed us several that met those needs. Through her efforts the house we purchased was absolutely perfect.

During the negotiation process, which was not easy, Mrs. Tunstall was most helpful, offered astute advice and was a perfect liaison between the seller, the seller's broker and us.

She also helped us become acquainted with the neighborhood and helped us find stores, post offices and other necessities in establishing a new residence. It is nice to have someone so thoughtful even after the sale has been completed.

I would recommend Mrs. Tunstall to anyone who is in need of a Real Estate Broker in this area. We were thoroughly satisfied.

Sincerely,

Alice and Homer Boynton
